Dear Mr. Blubaugh:

Re: Board Approval of Surety Release for Atlas Corporation, Cactus Rat Mine,  
M/019/009, Grand County, Utah

The Board of Oil, Gas and Mining approved, on May 24, 1990, the surety release for Atlas Corporation's Cactus Rat mine site, M/019/009. The Division hereby releases Atlas from any further reclamation responsibilities at this site. The reclamation surety was in the form of a Board Contract for \$26,051. The Division will maintain the sureties for the two remaining Atlas sites, the Happy Jack and Radium King, until these sites are reclaimed or transferred.

Thank you for your extra efforts performed at the Cactus Rat and your patience in clearing the approval.

Sincerely,

*Lowell P. Braxton*
